

ROCK
TALES

The image features a pixel art style title. The word "ROCK" is rendered in large, yellow, blocky letters with a cracked texture, appearing to be carved into a rock formation. Above the "ROCK" part of the title is a small, yellow, pixelated rock formation. Below "ROCK" is the word "TALES" in a smaller, orange, blocky font. The background is a dark blue sky with a single white pixelated star or moon in the upper center. The bottom of the image shows a dark, pixelated ground with some small, brown, pixelated rocks or bushes.
